

**ALL NEW GAME MODES AVAILABLE!**

*Tournament Edition* allows players to select exciting new ways to compete against each other. You can select best out of three games in player verses player mode or play the classic way, best score wins in three periods. Tournament mode allows either four players or eight players to compete to win the Super Chexx Pro Cup!

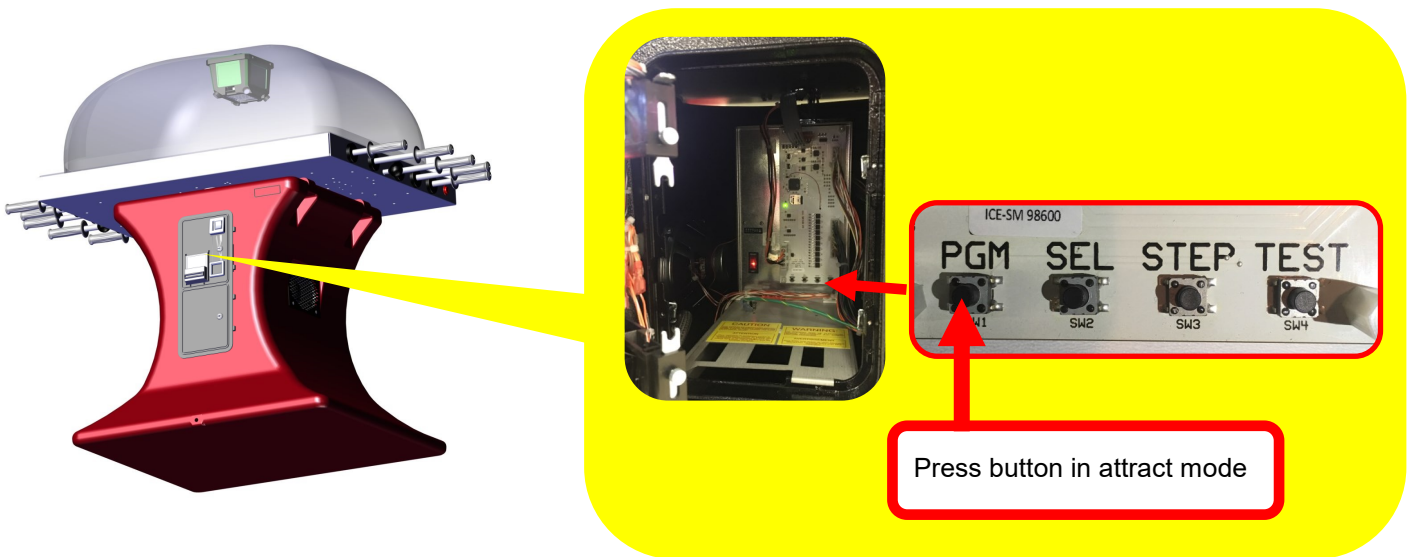

The boo buttons are used to navigate through the different screens. Tapping the boo button will select an option while holding the boo button down will select it. In coin-op mode, the different game modes can be charged at different rates. As the player selects the game mode, they will be prompted to insert more money if needed before they can start the game mode.

## How To Enter Program Mode - Home Edition

## How To Enter Program Mode - Coin-op Edition

Once in program mode, the jumbo screen will show the game option and current value.

- Press the “SEL” button to go to the next option.
- Press “Step” and “TEST” to change the option value.
- Exit program mode the same way you entered the mode.
